

FORM 1: DETERMINATION OF CATEGORY OF ASSESSMENT

Name:

Address:

Contact Officers of the Proponent:

Proponent Company:

(Official Use Only)

Project ID No.:

Requirement: Minor Assessment (Form 2) Major Assessment (Form 3)

The following information is to be included in the proposal to be submitted for assessment:

1. full description of the proposed activity/development and its costs.
2. location of the proposed activity and of any associated developments.
3. full description of the existing environment of the sites and their relationship to existing adjoining uses or habitation; in particular details of any significant physical, biological, social or cultural heritage items which may be affected by the proposed development or activity.
4. timing of design, construction and operation of the development.
5. estimated type, source and volume of any materials to be used in the construction and operation of the development; and proposed demand for utility services.
6. any plant or animal species to be introduced which are not native to Tonga.
7. any likely solid, liquid or gaseous emissions from the activity/development, whether or not totally contained upon site.
8. likely noise generated by the development, and assessment of likely increases in traffic flow.
9. employment likely to be generated by the activity/development, and contribution (if any) to the local or national economy.
10. assessment of anticipated environmental risks and impacts, and measures to be taken by the proponent to mitigate the same.

Please attach proposal to this form
